

STATEMENT OF PURPOSE

RS19396C1

The purpose of this proposed legislation is to provide for an Idaho Mountain Biking special license plate. The net proceeds will go to the Idaho Department of Parks and Recreation and be used for the purpose of preserving, maintaining, and expanding recreational trails in Idaho on which mountain biking is permitted.

FISCAL NOTE

There will be no negative fiscal impact to the General Fund. Given the support that presently exists for this special plate, it is anticipated that there may be a positive fiscal impact for the State.
